

Commercial Series
Impact Resistant Windows & Doors

WE'RE STRONGER™

**SAFETY.
COMFORT.
STYLE.**

CGI's **Commercial Series** Windows and Doors incorporate the best of CGI's Estate Series with enhancements and features specifically designed for the commercial market.

We are so much more than just a custom home window and door manufacturer. For **over 20 years**, we have been

producing impact-resistant windows and doors for luxury hotels and resorts, banks, hospitals, fire stations, schools and other government facilities. Our products are configured for the **most demanding commercial applications including both historical and contemporary designs.**

From casements to designer fixed windows to doors, CGI can provide a custom solution tailored to your needs. All of our Commercial Series products are available in a wide variety of standard and custom color finishes, including a Class 1 Clear Anodized finish as well as our series of warmly

inviting Aspen wood finishes. We can even provide specialty tints, LoE coatings and other high performance glass products personalized to your tastes and requirements. With CGI, you don't have to sacrifice quality for your commercial projects. **That's the CGI difference.**

Demand only the best. Demand CGI. We're stronger.

Sliding Glass Doors

Industry leading Sliding Glass Door system with design pressures up to +120/-167 PSF, available up to 30'x10' six panel configurations with standard stainless steel package and Ogee or square glazing beads and muntins. Available in two track, three track and pocket configurations.

The Commercial Series offers larger sizes

The Commercial Series offers so much strength and durability that we can offer windows, sliding glass doors and entry doors in heights of up to 10 feet tall. It's the perfect choice for projects

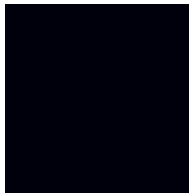

that demand beautiful, unobstructed views without sacrificing protection. 10 foot tall windows are a tall order for other manufacturers to meet.

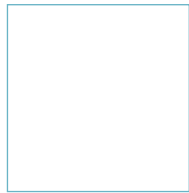

Casement, Fixed and Project Out windows have matching profiles.

Choose a finish that compliments your project

Our windows come in a host of standard and custom finishes. Choose from our standard white or bronze or upgrade to a variety of colors including our Aspen Wood Grain Finishes.*
